Leigh Academies Trust

Already recognised by Ofsted as one of the most successful multi-academy trusts nationally, LAT proposes to open an additional secondary school in the Dartford area to meet the need for more school places. With considerable expert support available locally, LAT will make sure the new academy gets off to a strong start from the outset.

What we stand for:

- High ideals, strong moral values and boundless ambition to achieve excellence for all;
- Strong collaboration and teamwork so that we are much greater than the sum of our parts.

What we value:

- A 'can-do' attitude towards continuous improvement and innovation;
- Creating confident young adults with high levels of resilience and integrity.

What makes us distinctive:

- Small-school, 'human-scale' education to personalise the educational experience;
- An enterprising culture to create close partnerships with industry and other educators.
